# I WELCOME TO THE EHF EUROPEAN LEAGUE MEN 2023/24 PLAY-OFFS

## NEXT STEP ON THE ROAD TO HAMBURG

For the 2023/24 season, the playing format of the EHF European League Men underwent a significant change. The number of participants (after qualification) has been raised from 24 in previous seasons to 32 in the current campaign. After the group matches last autumn and the newly introduced main round in February and March, the thrill goes on in the knockout phase. Only 12 clubs continue their journey and can still dream of the EHF Finals Men 2024 at the Barclays Arena in Hamburg on 25/26 May as their ultimate destination.

Four clubs secured their place in the quarter-finals by winning their respective main round group: HBC Nantes, Skjern Håndbold, SG Flensburg-Handewitt, and Sporting CP. The play-offs, with the first leg scheduled for Tuesday 26 March and the returns for Tuesday 2 April, feature four exciting pairings as the eight teams that finished second and third in their main round groups are set to battle it out for the remaining four tickets to the quarter-finals.

## EIGHT TEAMS PLAY FOR LAST FOUR QUARTER-FINAL BERTHS

While Flensburg are already through, three more teams from Germany could make it into the quarter-finals. Defending champions Füchse Berlin are paired with Kadetten Schaffhausen in the play-offs, with the winners facing Nantes in the quarter-finals. Rhein-Neckar Löwen duel with RK Nexø for the right to play Sporting next. And TSV Hannover-Burgdorf take on IK Sävehof with Flensburg waiting in the quarter-finals. The only play-off tie without German participants features Dinamo Bucuresti and Bjerringbro-Silkeborg, with the winners facing Skjern for a ticket to Hamburg.

Fans can look forward to two more exciting Tuesday nights in the tightly contested play-offs, where the EHF European League will once again live up to its billing: 'ALL IN – Greatness is earned.'

We pride ourselves at the EHF and EHF Marketing on our positive and cooperative relationship with our colleagues from the media. Should you require any information, help or assistance during the season, please do not hesitate to get in contact with us at the EHF Office in Vienna. # I ALL IN – GREATNESS IS EARNED

## 2023/24 SEASONAL CAMPAIGN FOR THE EHF EUROPEAN LEAGUE

In the build-up to 2023/24, a new seasonal campaign for the EHF European League has been launched. The campaign's pay-off 'ALL IN – Greatness is earned' underlines that success in the EHF European League can only come through hard work, dedication, and relentless effort.

The central idea behind the campaign is that there are no givens in the EHF European League. Only the players and teams who are willing to go *all in* will be able to *earn greatness*. 'ALL IN – Greatness is earned' highlights the work ethic of the players, who are pushing themselves to the limit each week in pursuit of glory. It inspires players and fans alike to embrace the journey that comes with striving for greatness. It also showcases the league as one of Europe's top-level competitions.

A [promo video](#) produced by Infront and the media team of EHF Marketing GmbH features the dynamic brushstroke element first introduced for the EHF Finals 2023 and emphasises the hard work a player has to deliver – on and off the court – in order to succeed.

The campaign also includes key visuals with the same brushstroke and the 'ALL IN' design element. The official hashtag of the campaign is #Allin.

# I IMPORTANT REGULATIONS

## WHAT HAPPENS WHEN BOTH TEAMS HAVE THE SAME NUMBER OF POINTS?

All matches shall be played in accordance with the IHF's current Rules of the Game. Variations on a technical level are possible. All matches of the EHF European League shall be played in 2 x 30 minutes with a half-time break of 15 minutes.

The matches shall be scored as follows:

- a) win = 2 points
- b) draw = 1 point
- c) loss = 0 points

Teams' rankings are obtained by adding up the number of points won.

### PLAY-OFFS AND QUARTER-FINALS

If, after completion of the two matches, both clubs have won the same number of points (no extra time will be played), the teams' standings shall be determined by the following criteria:

- a) goal difference
- b) penalty throws

### RULES FOR EXECUTION OF PENALTY THROWS

- Only players (incl. goalkeepers) who are listed on the match report and are not suspended or disqualified at the end of the playing time are entitled to participate at the penalty throws.
- Prior to the penalty throws, each team shall name five players by handing the referees a list of numbers. These players shall then take one throw each until a decision (a winner) is reached, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may perform as goalkeepers.
- The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.
- If the scores are equal after the first round of penalty throws, it shall be continued until a decision is reached. In the second round, the other team shall start. Again, five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision (a winner) is reached when a goal difference arises after both teams have taken one throw each.
- Serious infractions committed during penalty throws shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.
